#### CUTICURA CURED HIM

Eczema Came on Legs and Ankles—Could Not Wear Shoes Because OF BAD SCALING AND ITCHING

"I have been successfully cured of dry eczema. I was inspecting the removal of noxious weeds from the edge of a river and was constantly in the dust from the weeds. At night I cleansed my limbs but felt a prickling sensation. I paid no attention to it for two years but I noticed a scum on my legs like fish scales. I did not attend to it until it came to be too itchy to bear and began getting two running sores. My ankles were all sore and scabby and I could not wear shoes. I had to use carpet and felt slippers for weeks. I got a cake of the Cuticura Soap and some Cuticura Ointment. In less than ten days I could put on my boots and in less than three weeks I was free from the confounding itching. Capt. George P. Bliss, Chief of Police, Morris, Manitoba, Mar. 20, '07, and Sept. 24, '08. Potter Drug & Chem. Corp., Sole Props., Boston.

### No Advertiser Signs a Contract When He Deals With Us

The usual advertising agent before he shows results—wants a one- to three-year contract.

Then you must cling to that agent—whatever the outcome—for the full term agreed.

It is buying a "pig in a poke." It is also a poor way to place men on their mettle.

We have abandoned contracts. Our business is solicited on one basis only—on the claim to outsell any other concern in the field.

We expect to be compelled to make good. That is why we pay our Copy Chief \$1,000 per week. That is why we work in Advisory Boards, each session of which costs us \$1 per minute.

We combine our ability—mass our experience—to invariably fulfill our claim.

Then we abide by results. Advertisers may come to us without any commitment. They may start in a small way, and expand when results are apparent.

They may quit us the moment another concern shows the power to sell more than we.

Thus we are held to the mark. We cannot relax, for our accounts are ours only so long as no better man shows up.

That is the only right way to place advertising, so that is the way we accept.

We deal with our men on a similar basis. Our Copy Staff is made up of the ablest men we know. Each can earn more here than anywhere else, so long as he holds his own.

But, when any man lets another outsell him, the other has his place.

For advertising is war, and expensive war. The stakes are tremendous. There is no room for incompetents.

Men or agencies must rise or fall by their victories or their defeats.

So, we make no contracts with our brilliant men, and we ask none from any client.

There is a way to know if your advertising brings the utmost results that are possible. There is a way to prove—easily and quickly—if we can sell more than others.

The proof can be given without any commitment on your part. It will be such that no man can dispute it.

The result may be worth thousands of dollars to you. We have made it worth millions to some.

If you are interested, ask us to state the way.

Try them all. Every kind and brand of flour. Then try

the leader of them all. But save time and money by trying Ceresota first.
